

**REMARKS**

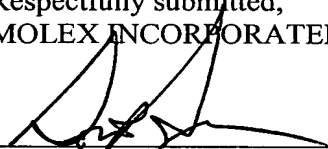

This is response to the Office Action mailed November 30, 2005. Applicants have cancelled claims 1-16, 21, 23-24 and 28-34 without prejudice and have added new claims 35-45.

In light of the above, it is respectfully submitted that all of the Examiner's objections have been obviated. In particular, Applicant's submit that cancellation of claim 21 obviates the 35 USC 112 rejection and that none of the cited references teach, imply or suggest the instant invention, thereby obviating the 35 USC 102 rejection.

Accordingly, Applicants believe that the application is in condition for allowance, which allowance is earnestly solicited.

Date: 1-19-2006

Respectfully submitted,  
MOLEX INCORPORATED
